FOUR ON THE FLOOR

Dear J18: I would like to see a photo layout involving four young ladies. One with silky blonde hair, one with short red hair, one with long straight brown hair and lastly one asian with very thick black hair. They will of course be kissing, going down on each other, inserting fingers into each other and all of the other activities particular to

GIRLS! GIRLS!! GIRLS!!!

Dear J18: Girls, girls, girls, I can't get enough of 'em! I see 'em all around me and I wanna do bad things to 'em. Bad things they'd like, such as sticking my tongue up inside their tight girlie pussy holes and then fucking them senseless. The sound of an eighteen year old beauty as she's cumming is like no other. I've made some hotties squeal in my day, let me tell you. Young women sound completely different than older women and to say that they feel different goes without saying.—Louis in KY

THE PRETTIEST LITTLE SLUTS

Dear Just 18 Magazine: Thank you for featuring the prettiest little sluts out there. It never ceases to amaze me the abundance of girls in the world willing to take all of their clothes off and be photographed for publications such as yours. I say god bless them! If no one wanted to part their legs and pull apart their poo-nani lips then there would be no skin mags now would there? I'm so glad the gals you get to debase themselves are so fine looking. I would have guessed that it would be much easier finding girls who had been hit by the ugly stick to disrobe and strike poses but apparently not. Keep on doing whatever it is you are doing because it is definitely working! I've never sported so much wood in my entire life.—Gary in WI

adult themed pictorial layouts. But I would like the photographer to pay special attention to the lighting of the scene so that the hair of each of the participants is illuminated to full effect. I think that a photo shoot as I described would be very artistic as well as sexy and it is surely something that your other readers would enjoy as well. There isn't a heterosexual man alive who wouldn't get hard for four beautiful naked girls.—Kelly in TN

THE PERFECT POST-DATE

Dear Just 18: I would like to describe to you my perfect date. Or, rather, my perfect post-date, because

who really gives a shit about dinner and a movie and all that happy horseshit. We would go back to my apartment and just as soon as we got inside the door the broad would drop to her knees, unzip my fly and stick my pecker inside of her mouth. She'd suck me hard, then stand up, hike up her skirt, turn

around and bend over. I would then begin to bang her from behind, slowly at first then faster and faster. She'd reach down and caress my ballsack with one hand and rub her clitty with the other.

I guess she'd have really good balance or something to remain standing, or maybe by this time we'd have pushed up against a wall a little so she could brace herself with the top of her head. Anyways, I'd fuck her like that till I'd pull out and pop off all over her ass. Then she'd straighten herself up and go home to her place. Sounds pretty nice, huh? I was wondering if any one of the models in your magazine there would like to go out on a date with me.—Harold in Kansas City

PIERCED PRETTIES

Dear J18: Why do none of the young ladies in your magazine have pierced nipples? I know that there are plenty of young girls out there that have modified their bodies in this manner and I'd like to see some of them on the pages

of your mag. I'm especially surprised that more of the girls with tits on the smallish side have not opted to deck them out with jewelry

to make them more impressive and appealing to the opposite sex. I just think that nipple jewelry is pretty and I find it to be an incredible turn on. I love the soft clinking sound I hear when I take a pierced nipple into my mouth and the jewelry hits against my teeth. It was such a fad for a while there, it seemed like every single girl I dated had at least one of her titties done. I can't be the only one who's into this, can I?—Jeremy in NM

Ella

I don't know, I guess you could say I'm pretty experienced. I've done it with a few different boys and I've even done it with a girl although I have to say that I didn't like it very much. Don't get me wrong, it felt good and everything and it was pretty fun licking pussy but afterwards I just wasn't quite satisfied. I ran straight home and spent half the night fucking myself with toys. I burned through three sets of batteries, no joke! I guess I just like the feeling of a dick in me is all. Big dicks are the best but little ones can be okay too I guess. It all depends on what he does with it. One of the guys I fucked was extra good in bed so that's who I think about whenever I cram my hole by hand. I pretend it's his penis inside me instead of plastic and then I cum like crazy! **i18**

Dani & Lola

I'd never done the deed with a girl before I met Dani. She's just so damn hot that I couldn't keep my hands off of her. We started out by hugging a lot and kissing each other on the cheek—just flirty girl stuff between friends. Then one day she suggested we take off our clothes and wrestle in our undies and, well, from then it was ON. Next thing I knew our bras were off and we were smooching all over each other's titties, and the feeling of her hard little niplets against my tongue made my panties so damp. We went down on each other for hours and I came in her mouth too many times to count. That first time with her sure was sweet, but things keep getting better and better. Now we use toys on each other and everything! Dyking out with Dani feels so good!

I may be a lot of things but I'm most definitely not shy. I'll drop trou and diddle my skiddle almost anywhere. In fact, the more likely I am to get caught toggling my bits the more turned on I get and the juicier my climaxes. Which is all kinds of awesome 'cause then when I get re-dressed in order to slide into society again, my thighs are so soaked with honey that it seeps into my clothes and I can smell my own pleasure all day long. I love cumming outdoors the best, when the sun is shining and birds are singing and strangers are walking around...and hopefully nearby enough so they can hear my moans. I carry a dildo with me wherever I go so that I'm always ready to squat and thrust. So does all this make me some sort of slut? Sure, if you say so. I just think of myself as a girl who loves to live out loud! **18**

TASTE THE LOVE

*By Kelsey
Biddlekranz*

When will some girls learn that boys are not worth the bother? The summer after we graduated high school and before we started college, my BFF Becca was going out with a tool named Zach, only she didn't know he was a tool, she thought he was great. Movie star handsome, you know? And he took advantage of that and cheated on her like he was trying to break a world record. But then when Becca confronted him, OMG he told her some bullshit about how she was messing him up in his mind because he couldn't stop feeling guilty. But he wouldn't tell her what he felt guilty about, he said to forget it, so Becca sent me to do some detective work around his friends and find out the 411. And you wouldn't believe it but the tool told his friends that Becca's pussy tasted too harsh and was giving him a bad taste in his mouth. That's what he didn't want to tell her—he didn't want to hurt her feelings. But if he didn't really want to hurt her

feelings he would have kept that to himself totally instead of telling his posse of fellow idiots.

Well in a way I was happy about this discovery because I was sure #1 it was stupid bullshit because everything about Becca is sweet and yummy, and #2 I thought this might be my opportunity to taste some of that myself. ROFL! I was thinking about getting into girls for awhile and wanted to start with adorable Becca. So I was hoping things wouldn't work out with Mr. Tool and when they didn't I had to

keep my smiles to myself.

You might say I wasn't a true BFF to Becca by telling her what I learned, but sometimes you have to tear people down to get them up there again in the high spot they deserve in life. And beautiful Becca deserved the best, so I came back to her house and told her what I learned about how Zach the Tool's sensitive tongue couldn't take the taste of Becca's cookie. And you should have seen Becca cry!

But of course I was there and she appreciated that.

"I don't taste bad, Kelsey!" Becca kept saying as she hugged me. "Do you think I taste bad??"

"Well I wouldn't know for a fact but I can't see how you could taste anything less than wonderful." I stroked Becca's hair.

"He's just a hater!" Becca said, pressing her face into my shoulder. I liked the feeling of her breath on my neck. "He's jealous because I got a full scholarship to college and he didn't! Boys are stupid!"

"Stupider than ever," I said, rubbing Becca's back.

We were in her bedroom. Her parents were out at some oldies concert so we had privacy. Becca flopped down on the bed and looked up at the

ceiling with such big sad eyes.

She grabbed her crotch through her shorts and said, "But still, Kelsey! To say a thing like that to his friends knowing it would get around the whole neighborhood!"

"If they make a dictionary with the word 'tool', his picture will be next to it!"

Suddenly Becca sat up. OMG she was pretty. I hoped I didn't look as puppy-dog lovey as I felt. "Kelsey," she said, "I know you're not gay but I trust you.

Could you help me? Will you taste me and tell me if...if what Zach said is true?"

"That's what friends are for," I said, looking at her with all the seriousness I could find in myself.

Becca pulled off her top and began squirming out of her shorts. OMG, I kept thinking, I've seen it all before when we were in the locker room at the neighborhood pool but it's different when you see it in a bed-

room and it's going to be in your mouth. Her titties. Her pussy. Her tushy. Even her toes. I wanted to cry out of happiness but I had to hide it. I was going to taste my BFF, Becca.

"You too, Kelsey, get comfortable. If you do this favor for me, I'll do it for you."

"You don't have to," I said, but Becca was already unbuttoning my top and unzipping my pants.

Soon we were naked on the bed. Becca scooted

up so that her pussy was near my face, and she opened her legs. I'd forgotten how smooth she looked down there. I hadn't seen her actual pussy lips in quite a while, usually you just see the front of it in the locker room when everybody's walking around. Oh sure you can catch a closer look if you want to stare but then everybody will know what you really are.

Becca parted her lips and she was so pink down there. "Please, Kelsey, tell me how I taste. Tell me Zach was a liar!"

I put my hands on Becca's smooth thighs and they felt so soft and warm, and I sniffed

her pussy deep as I looked at it. Okay, it didn't smell like strawberries but that didn't mean it didn't smell good to me! It smelled like Becca was a young female and that was nothing to complain about. Becca took my head and moved it toward her pinkness and told me to kiss it. OMG did I, I just kept kissing it over and over, until Becca told me not to forget to lick it a little too, because maybe when it got licked it tasted different than when it just got kissed.

I closed my eyes and held back the tears of being so totally awesomely happy as my tongue lapped up and down on her button. The

taste was out of this world and the smell was almost sweet and I kept licking while Becca looked down at me and played with my hair.

"You do like it? It tastes good?" Becca pleaded.

"Yes, very good!" I said, coming up for air, and then going down for more.

Zach was an idiot. I had never tasted a pussy before but if this is what they were like I would try to eat as many more of them as I could! And here I thought I had almost been in love with Becca and everything, but I was just

I was so hot licking Becca that I had to play with myself and I reached my hand underneath and the moment I touched my pussy it was all over. I mean, I came all over my finger because my wetness felt so nasty and exciting, and Becca giggled to see me cumming like that with my face buried in her pussy. She reached over and gave my tush a little spank when I was done shaking. "Gay!" she laughed. But then when I calmed down she told me to finish eating.

"Who needs boys, right?" she said. "I'll taste your pussy after you finish mine."

Well, I took my time about it. Once I cum, I can go on forever. I licked her until she was bucking against my face and begging me to stop! Of course I didn't; I made her cum again and again. Becca was MY girlfriend by the time our session was up. I just hoped I wouldn't cheat on her too much, and break her heart like Zach did! 

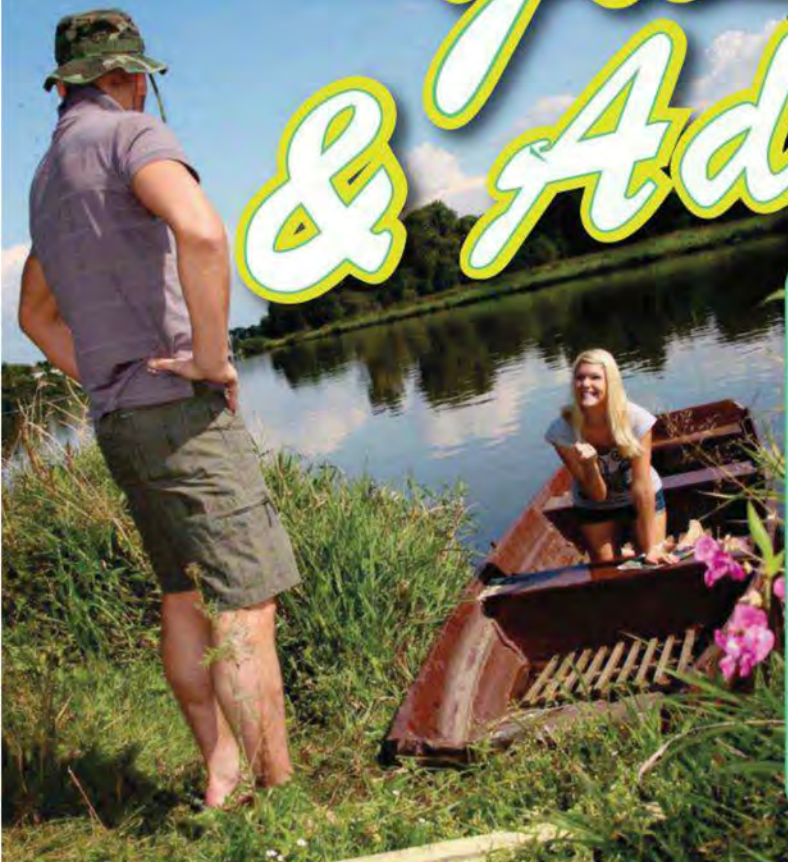

hot for her pussy and thinking about getting other ones already. Oh well, I guess I'm not a very nice person.

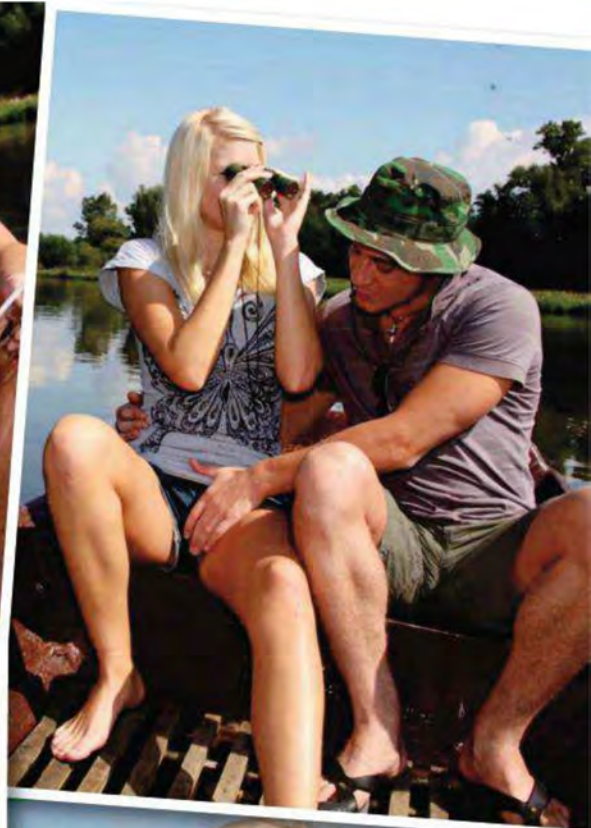

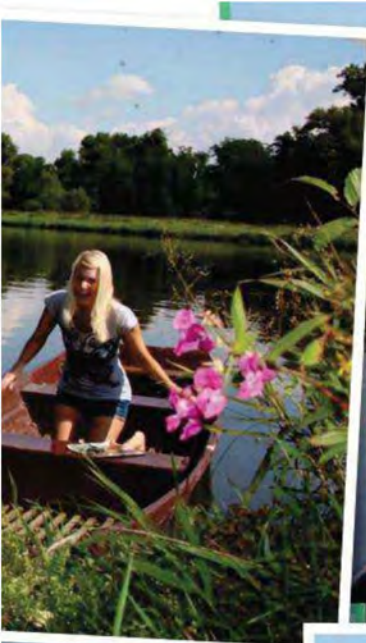

Jodie & Adam

When my next door neighbor Adam invited me to hang out with him by the lake I was like, "Hells yeah!" He's super hunky and I'd been dying to do him since forever, so I waited until we were alone on the water and then I made my move by being super receptive to his smooches. Then lickity slit he was chowing my box and I was bobbing up and down on his rod till suddenly he bent me over and tackled my box. We rocked the shit outta that boat and made big ripples in the water while we banged the bejeezus out of each other. When I came I cried out so loud that my moan echoed for miles. Adam pulled out to pop all over my face and his jizz was so thick and creamy...rumrum. After that I'm gonna be seeing a whole lot more of the boy next door! 

Watch these
two make it on
the lake!

T A L I A

My favorite part of my body is definitely my boobs. I love them so much! They're the perfect size—all juicy, round and firm and when I'm naked I can hardly keep my hands off them. The only thing that makes me able to peel my fingers from them is the velvety softness of the sweet spot between my legs, which I like touching just a li'l bit more. Actually, all of my skin is so silky that there isn't a single inch of me that isn't nice to stroke...I've had so many guys say that very same thing to me that I know for certain it's true. I'm kissable from head to toe, especially my rosy pink pearl nipples and the delicate flower at the front of my passion pit. Whoever puts their tongue there won't want to stop sampling my honey, so taste my two lips at your own risk! **18**

Okay, okay, so I'm a good girl. So what? I don't think I should have to be slutty in order for people to like me. I'm still a virgin and proud of it. That's right everyone, I still possess my V card! I have every single one of my pubes, too. I prefer to keep my clams nice and hairy instead of shaving it smooth like everyone else! Anyways, I know how to make myself feel mighty fine with my fingers and that's alright for now. I like to spread apart the lips of my snatch hole and dip my digits directly into the center soft spot. It's so pink and wet in there...warm too. I fiddle around a little and flick my bean and that's enough to make my toes curl. I guess when I finally let a boy put his cock in there it'll feel even better...I've got a lot to look forward to! **18**

My bestie Amy is a way better lay than most of the boys I know. She knows exactly where to touch me with her fingertips and tongue to get me totally turned on and make me beg for my box to be packed. Then she straps one on and sexes me up so good that my twat twitches for hours afterwards. This is when I roll her over and do everything I can to return the favor. I suck her pussy and stuff it full of fun gadgets that make her gasp and giggle. Then we cuddle and snuggle ourselves into a sticky heap and French kiss till we both pass out. I think I'm gonna go vegetarian for good. As long as I've got Amy around to satisfy all of my naughty needs, why would I ever wanna put up with the drama of dudes? **18**

"Hey dudes...check out this adventure from a middle-aged egghead named Corkton! A cute student had a crush on him after he recited a poem and wait till you see what happened when her pussy entered the picture!"

THE DEFINITION OF LUST

Her name was Mary...well, not really, it was something more Heatherish, or Amberish, in the current fashion of young female names; but I prefer to call her Mary here, a name I've always loved for its simplicity, and also because it serves as such a vividly innocent contrast to the horny masturbating little tart she turned out to be.

First, a little "backstory," as the screenwriters call it.

I have never considered myself much of a college instructor. I got the job on the strength of a book of short stories I published many years back, a slender volume which received much acclaim but made me little money. Like other writers, I have done all manner of jobs to pay my bills as I do my generally unprofitable scribbling; and I have to say, teaching creative writing and literature has been one of the more pleasant "survival" gigs since it's always enjoyable to gaze at the fetching coeds.

I work at a college that has a strict policy forbidding any teacher to get involved in a relationship with a student, even if the student is no longer in the teacher's class. But the power of a poem by Andrew Marvell called "The Definition of Love" put me in a tricky position with the aforementioned Mary.

I enjoy classic poetry and often read it to my students to give them examples of how to concisely sum up emotion through words. Story writers can learn a lot from reading poems, provided the poems are not too abstract or obscure.

"The Definition of Love," written in the 1600s, talks about a perfect love which exists between two

meaning and ironic wit, I have always liked it mostly for its eminently readable verse describing unfulfillable passion, stanzas which are vastly enjoyable to recite aloud. Mary liked it because she was in love with me and it summed up to her the ultimate impossibility of any connection between us. You see, I was a grizzly fifty-eight to her nubile eighteen, and the difference in our ages was of course to her an example of the cruel Fate which Marvell described. Also, to her mind the rules of the college operated like Fate to prevent our ever

getting together, even though she was no longer my student and had finished my course. And how did I learn all this? Because one night toward the end of her freshman year, she called from her dorm to confess her desire for me.

"Oh Professor Corkton, I couldn't take it anymore, I had to tell you what I feel. I love you! I see the young beautiful spirit in you under all that gray hair! Listen, I'm in my bed with hardly any clothes on. My roommate is at her boyfriend's dorm. I'm all alone with my thoughts of you and my fingers and a toy I bought...but a

people but can never be consummated because Fate stands between the lovers. Their love exists like parallel lines in nature, which can never meet. Although the poem has many complex shades of

toy is a poor substitute for your penis!"
"Well, Mary..."

"Andrew Marvell was such a marvelous writer! Don't be mad that I made such a cheap pun, Professor Corkton! I believe he was named Marvell because Fate knew he'd be marvelous. Tell me you haven't guessed the way I've always felt about you. I think I first fell in love when I saw you looking so sad when you read the poem in the front of class. I know you were hurt badly in love, Professor Corkton! Did it happen around the time the Beatles were first big? Nobody could have read the poem the way you did, without knowing the pain of Fate being so mean to you! Is that why you've been a bachelor all these years? Oh don't be mad that I looked up your biography on Wikipedia. So what was she like, Professor Corkton, this girl you couldn't have? The girl that Fate barred you from, kept you from like a star a million light years away?" Clearly, Mary's interpretation of the seventeenth century poem was influenced by her generation's absorption in the omnipresent post-Star Wars cinematic mythology.

"She was a cheerleader," I confessed. "Out of my league."

"Forget her, Professor Corkton! I wish I could be there to help you, but the horrible rules of this college..."

"Yes, I wish you were here, too, Mary, but it would lead to the ruination of me, and the wasting of you. No hairy old bear like Ian Corkton should be with a girl of your freshness, your youth...Fate has indeed decreed that we remain parallel!" Someone had to take the high road in this situation. However, I was rubbing myself through my trousers. No use wasting this opportunity for free phone sex.

"Professor Corkton...I'm putting the phone down so I can just play with myself. I'm rubbing my breasts and my vagina. I wish I could give them to you. You're not a bear to me! Can you still hear me?"

"Yes, but don't talk too loudly or the other girls on your dorm floor might hear." I had taken my cock out, and visualized Mary in all her innocent sweetness. I jacked slowly so I wouldn't cum before Mary did.

"Obviously, I've read your book, Professor Corkton...it was marvelous in its own way...lost love is your theme, I can tell...I could cure your heartache, Ian.

You don't mind if I call you Ian, do you?"

"Actually, I prefer Professor Corkton," I said, trying to keep the huffing out of my voice as I pumped my pork. "It will help us to remember...the necessary distance between us...that Fate herself has decreed!"

"Why do you call Fate a woman, Professor?"

"I dunno...I'll have to think about that another time!"

Mary didn't say anything again for awhile, and I knew why. I was giving her phone sex too, of course. I could now hear her soft moaning and the squish of her fingers as she played with her undoubtedly hot little beaver. It all came through clearly via the marvel of cellphone technology. Of course, I had never seen her in the nude, but I could imagine her smooth agile strength as, for example, she must have arranged her legs to most comfortably propel every inch of her eighteen year old frame toward gushing orgasm.

"Professor Corkton..." she suddenly said, breaking her silence.

"Yes, Mary?"

"Do you think it's wrong for me to feel the way I do about you? Is it silly?"

"No, Mary. It is what it is. I'm surprised but happy. I didn't think a bear like me could still bring out something like this in a nymph like you!"

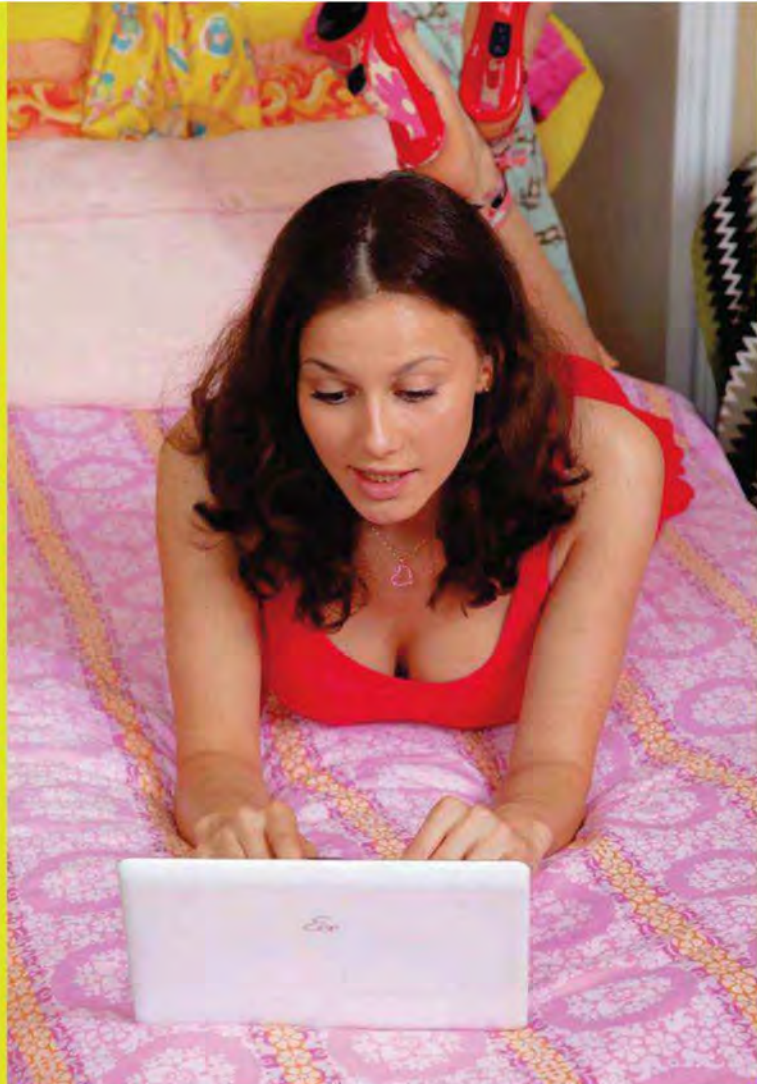

"Oh, the way you talk...nymph...what a hot word...ohmigod!" And she began groaning and then her voice cracked into little squeals and shards of sound. I could tell by the panting afterward that I had just made her climax. And I quickly followed suit, rocketing a load over my fist toward the threadbare flower-patterned carpet on my living room floor.

"Thank you, Professor Corkton. I will never forget this! Our love might be, as Marvell said of his own love, 'the opposition of the stars,' but it is also the 'conjunction of the mind!'"

The conjunction of dirty minds, I thought, but left it unsaid.

Mary hung up immediately afterward. The very next morning she dropped out of college, and I heard a rumor she'd hitchhiked to California to become a porn star. And I wondered what Andrew Marvell would have said about that. **18**

Agreeing to go all the way with Bobby is the best decision I've ever made in my entire life! He's so awesome and he makes my entire body tingle when he touches me. When he kisses me my knees get weak and my stomach does all these crazy kinds of flip flops. And when he nibbles on the tips of my tits it sends a million tiny electric shocks straight to my clit so that when he moves his mouth down there I have an orgasm pretty much instantly. Then I suck on his rod for a while and next comes the fun part—the fucking! Feeling Bobby's boner inside of me is my favorite thing in the whole world. He fits perfectly and it feels magical. Man, does he make me squeal! He slides in and out and tells me when he's about to blow so I can hop off and catch his spunk in my mouth! I love banging Bobby! **18**

Nothing makes me hornier than getting all dolled up and taking myself out for a night on the town. I love sitting alone in a restaurant and drinking a soda, feeling sexy and knowing that all eyes are on me. Of course people are looking—I'm a stone fox! It turns me on so much to feel everyone's eyes burning into me that I eventually have to find someplace where I can be alone so I can peel off my panties and air out the wet patch. I almost always find an empty banquet room or unused nook to hide in and then I get mostly naked and really naughty. I like to strike sultry poses with my legs spread wide and imagine the lusty looks on people's faces if only they could see! Then I quickly make myself cum before I go back out to sip my soda, while wondering if anyone else might know about my O!

Megan

So I've got a supercute little body and I **HATE** having to cover it up with clothes all the time. When I go out in public I always wear the skimpiest outfits I can get away with. Not everyone gets me, though—the other day I was sent home from school because my skirt was too short. WTF? I mean, I'm 18! Let me wear what I want! I was supposed to go home, change into something “more appropriate” and then go back to class, but instead when I got to my house I danced around, got naked and got myself off! I mean, screw them! I decided that I'd rather play hookie and play with my cookie, so that's exactly what I did. It was an awesomely Overwhelming afternoon—I musta've cum like a hundred times! I sure could teach everyone at that school a thing or two about having a good ass time! **18**

F learning,
Megan's
